Workshop Outline

Introduction

- Housekeeping, introductions and learning objectives.
- Delegate identification.

Safeguarding

- Realising anyone can be a victim or abuser.
- Recognising abusive behaviour and patterns.
- Signs and actions that could lead to safeguarding issues.
- How to safely report concerns and to whom.
- Why it's important within the delegate's role to identify abuse.
- Understand how their role plays a vital part in identifying a safeguarding concern.
- Develop a strategy to expose safeguarding concerns.
- Learn techniques to support and help victims.

Logistics

Online Delivery

For online workshops our preferred option is to use Zoom or Teams.

In order to facilitate the workshop via our virtual classroom format all attending will need:

A Computer, Laptop or Tablet

(Mobile phones are not suitable to undertake the course due to the size of the screen).

All devices must have:

Internet Access.

Web camera.

Microphone.

Speakers or headphones.

Stable internet connection.

Enough battery charge for at least 3 hours.

In Person

For real time classroom workshops, we request that clients confirm they have:

- A suitable room is available for up to 20 delegates.
- The ability to project onto a clear white wall.
- Internet access.
